gift guide ... Something Cozy

TOP LEFT AND RIGHT: Chocolate is always something to cozy up to, particularly when the mood is festive and the temperature chilly. Two delectable examples are **Fauchon's** Megève cake (\$70 plus \$27.50 for shipping), named for the famed resort town in France, and **Aztec** hot chocolate tins (\$17 for small, \$22 for large) and china cups (\$76 a pair) by **MarieBelle**, 212/925-6999. ABOVE RIGHT: Ward off winter's chill in style with **Burberry's** thick cream cable-knit scarf in merino wool and angora (\$145), 212/707-6568. ABOVE LEFT: The Horizontal Green throw (\$189) and Mojito Club pillow (\$195) by **Emma Gardner Design**, 860/567-5201, might inspire a whole new decorating scheme this season.
